Claves educativas de 6 a 12 años: 53 (Hacer familia) (Spanish Edition) Teresa Artola

Este libro trata de los problemas normales de los niños normales. En sus páginas encontraremos las claves educativas para afrontar las situaciones cotidianas más frecuentes a estas edades... Cada capítulo comienza con una "situación familiar" o ejemplo de cada una de las dificultades, a continuación se analizan sus posibles causas y se abordan las medidas preventivas posibles. Finalmente, se propone un plan de acción referido a esa situación familiar que puede servir de apoyo para que padres y educadores elaboren los suyos propios para cada caso particular.

La mayor parte de los problemas que se presentan a estas edades pueden detectarse antes de que lleguen a serlo:

es cuestión de prevenir y actuar a tiempo.

Teresa Artola González es doctora en Psicología y Master en Educación Familiar. Ha sido profesora del Departamento de Psicología Evolutiva de la Universidad Complutense de Madrid. En la actualidad es directora del Departamento de Psicopedagogía del Centro Universitario Villanueva.
