Essentials of Integrating the Language Arts David Yellin, Beverly A. DeVries

Essentials of Integrating the Language Arts, Fifth Edition, offers students all the practical tools they need to be effective language arts teachers, supported by the necessary theoretical foundation.

Like its predecessors, this edition presents a comprehensive approach to teaching the language arts, balancing direct instruction in the communication arts and integrating the language arts with other content areas such as music, art, mathematics, social studies, and science. It explores the important topics of community and caregiver involvement in education and offers thoughtful coverage of diversity in the schools. Practical teaching ideas are found in every chapter.

The fifth edition reflects current teaching practices, field knowledge, and research. It also offers significant changes, including:

- A more streamlined approach to allow readers to move quickly from learning chapter concepts and related theory and research to understanding how they are applied in classroom practices, activities, and strategies.
- Discussion of standards, including the Common Core State Standards (CCSS), with the goal of showing readers how they can apply standards in the classroom to help meet their students' needs.
- New teaching activities that support the chapter topics and align with the CCSS.
- An appendix offering more than 25 classroom assessment tools. Discussion of current, quality children's and young adult literature, including informational texts, supported by an appendix offering annotated lists of books by genre.

Other Key Features

- "In the Classroom" vignettes, describing real teachers implementing language arts strategies and activities with their students
- "RRP" (Read Research Practice) boxed features, offering ideas for activities and projects
- "Teaching Activities," which future teachers can use in their own classrooms.
- "Field and Practicum Activities," which readers can use now in field and practicum settings
- Discussions of technology and websites, to help readers prepare to integrate technology in their own classrooms

From reader reviews:

Benjamin White:

Spent a free time for you to be fun activity to perform! A lot of people spent their down time with their family, or their own friends. Usually they performing activity like watching television, planning to beach, or picnic inside park. They actually doing same every week. Do you feel it? Will you something different to fill your current free time/ holiday? Might be reading a book can be option to fill your free time/ holiday. The first thing that you'll ask may be what kinds of publication that you should read. If you want to try look for book, may be the book untitled Essentials of Integrating the Language Arts can be fine book to read. May be it might be best activity to you.

Marilyn Leonard:

Is it an individual who having spare time subsequently spend it whole day by simply watching television programs or just resting on the bed? Do you need something totally new? This Essentials of Integrating the Language Arts can be the solution, oh how comes? The new book you know. You are and so out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these publications have than the others?

Lisa Yates:

With this era which is the greater person or who has ability to do something more are more valuable than other. Do you want to become one of it? It is just simple way to have that. What you are related is just spending your time not much but quite enough to have a look at some books. One of the books in the top checklist in your reading list is usually Essentials of Integrating the Language Arts. This book that is certainly qualified as The Hungry Hillside can get you closer in turning into precious person. By looking upwards and review this guide you can get many advantages.

Lena Garcia:

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Essentials of Integrating the Language Arts can make you really feel more interested to read.
