Handbook of Studies on Men and Masculinities

Handbook of Studies on Men and Masculinities

The **Handbook of Studies on Men and Masculinities** is an interdisciplinary and international culmination of the growth of men's studies that also offers insight about future directions for the field. The **Handbook** provides a broad view of masculinities primarily across the social sciences, with the inclusion of important debates in some areas of the humanities and natural sciences. The various approaches presented in this **Handbook** range across different disciplines, theoretical perspectives, methodologies, and conceptualizations in relation to the topic of men. Editors Michael S. Kimmel, Jeff Hearn, and Robert W. Connell have assembled an esteemed group of contributors who are among the best-known experts in their particular fields.
