**Partner-Protector (The Precinct Series Book 1)** Julie Miller

Detective T. Merle Banning vowed to conduct the Holiday Hookers homicide investigation based on cold, hard evidence, not psychobabble from the department's "crackpot" consultant. So, despite their smoldering attraction, he scoffed at Kelsey Ryan's unsettling visions of one of the murders. But even he couldn't discount the truth when Kelsey provided a break in the case that had stymied the Fourth Precinct for years. As their pursuit of the twisted killer led them down the seedy back alleyways of Kansas City, the flamboyant beauty bewitched T's battle-scarred heart...and propelled him to breach her isolated world. Could these partners in passion unravel the killer's web of darkness before it ensnared them both?
