An exploration of the scientific, historical, and paranormal qualities of quartz crystals and ancient crystal skulls

- Explores the use of crystals throughout history, including their role in Atlantis and in alien technology
- Offers step-by-step instructions to successfully use crystals in scrying, meditation, and Enochian magic
- Includes never-before-published scientific findings on the author's crystal skull as well as other crystal skulls researched at the British Museum
- Explains how the Space-Time Crystal Matrix connects the physical world with the spiritual and may be the communication technology of the future

Known for his in-depth scientific work on the Shroud of Turin and the Great Pyramid of Giza, John DeSalvo, Ph.D., now sets his sights on quartz crystals and their mystical counterpart, crystal skulls. Exploring the use of crystals from Mesopotamia and ancient Egypt to present-day technology, including their use in ritual and ceremonial magic and their importance in ancient religious literature, he examines the many physical and chemical properties of quartz crystals and explains how their crystalline lattice structure is the key to their amazing abilities, both scientific and paranormal. Reviewing the many paranormal claims about crystal skulls, DeSalvo reveals the scientific findings on his own ancient crystal skull as well as research by the British Museum on other famous crystal skulls. His investigation also extends to the recent discovery in Tibet of a trove of Dropla discs--grooved stones allegedly recording an ancient alien visit to Earth.

Highlighting the use of quartz crystals and crystal skulls for psychic and spiritual purposes, DeSalvo offers step-by-step instructions for their use in scrying, meditation, and Enochian magic, including communication with angels. Reviewing accounts of power crystals in Atlantis and their use in alien technology, he explains how crystals connect the physical world with the spiritual via a powerful communication network linking all crystals and their memories--the Space-Time Crystal Matrix, a spiritual technology lost to the ages but which may become the communication system of the future.
