# Utopia (Penguin Classics)

*Thomas More*

**Utopia (Penguin Classics)** Thomas More

**A major new translation of Thomas More's popular work of philosophical fiction**

In his most famous and controversial book, *Utopia*, Thomas More imagines a perfect island nation where thousands live in peace and harmony, men and women are both educated, and all property is communal. Through dialogue and correspondence between the protagonist Raphael Hythloday and his friends and contemporaries, More explores the theories behind war, political disagreements, social quarrels, and wealth distribution and imagines the day-to-day lives of those citizens enjoying freedom from fear, oppression, violence, and suffering. Originally written in Latin, this vision of an ideal world is also a scathing satire of Europe in the sixteenth century and has been hugely influential since publication, shaping utopian fiction even today.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

#### **Kenneth Handy:**

The book Utopia (Penguin Classics) has a lot details on it. So when you read this book you can get a lot of help. The book was compiled by the very famous author. The author makes some research ahead of write this book. That book very easy to read you may get the point easily after reading this book.

#### **Patricia Ackermann:**

This Utopia (Penguin Classics) is great reserve for you because the content and that is full of information for you who also always deal with world and have to make decision every minute. This particular book reveal it facts accurately using great coordinate word or we can say no rambling sentences inside it. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but challenging core information with splendid delivering sentences. Having Utopia (Penguin Classics) in your hand like having the world in your arm, facts in it is not ridiculous one particular. We can say that no guide that offer you world in ten or fifteen minute right but this guide already do that. So , this really is good reading book. Hello Mr. and Mrs. hectic do you still doubt that will?

#### **Lee Long:**

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just minor students that has reading's heart or real their hobby. They just do what the educator want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Utopia (Penguin Classics) can make you experience more interested to read.
