What Men with Asperger Syndrome Want to Know About Women, Dating and Relationships Maxine Aston

Positive, practical and realistic, this book offers a wealth of information on women, dating and relationships for men with Asperger Syndrome (AS).

Many AS men are totally confused and bewildered by women and relationships and find it hard to know what to do, what to say and how to get it right. For these men, understanding the emotional side to relationships and women's needs can be a complete mystery and they often get it disastrously wrong. This practical handbook provides the answers to Asperger men's most frequently asked questions about women, dating and relationships, helping them to understand the way relationships work and increasing their confidence and ability to have successful relationships.

This comprehensive handbook is essential reading for men with Asperger Syndrome (and their partners). It will also be of immeasurable use to counsellors and other professionals working with such individuals.
