**Kamikazes: Los mejores peores años de la Argentina (Spanish Edition)** Reynaldo Sietecase

Una mirada inteligente sobre los años más vibrantes y controvertidos de la historia argentina. Un libro que van a valorar tanto los oficialistas lúcidos como los opositores honestos.

Argentina 2003-2013, la década de los Kirchner: la pelea con los medios de comunicación, la relación con los sindicatos, los problemas con el transporte y la energía, el karma de los vicepresidentes, la relación con la oposición, La Cámpora, la recuperación de YPF y el aval a las empresas mineras, la lucha con las entidades del campo, el modelo económico, los juicios a represores, la inseguridad y la estrategia de la confrontación permanente.

Ensayo periodístico, libro de historia, crónica de una década, el libro de Sietecase es más que cualquiera de esas clasificaciones.
