Tramonto Rosso (Italian Edition) Pietro Dell'oglio

Una sinistra setta sta spiando Julia Anderson, donna devota che, progressivamente, sta perdendo la fede. E' costretta ad abbandonare il normale tenore di vita che ha abbracciato per molto tempo, perché deve scappare: quegli stessi uomini che la spiando sono in contatto con lei e riescono inspiegabilmente a leggere la sua mente. Julia si ritroverà privata di ogni intimità, nella disperata consapevolezza che se rivelasse qualcosa a Kathy, la sua più grande amica, loro lo verrebbero a sapere, costantemente affacciati sulla soglia dei suoi pensieri. E nel frattempo deve fare i conti con il progressivo riaffiorare dei ricordi: il suo passato ritorna, dal giorno in cui suo marito Robert la portò a vedere il cielo colorarsi di arancione al tramonto, fino alla sua improvvisa scomparsa in seguito alla morte della loro bambina, Christie, quando il cielo si colorò di rosso.

Un thriller psicologico può anche suscitare emozioni profonde? Adrenalina e sentimento possono convivere nella stessa storia? Tra gli stessi personaggi?

Il rosso è il colore dell'amore, della passione; ma è anche il colore del sangue e del tradimento. E anche un tramonto, visto da un punto di vista preciso, può far scorrere un brivido di paura.

Pietro dell'Oglio è nato a Trani nel 1995 e studia informatica umanistica all'università di Pisa, a circa quindici anni ha iniziato a scrivere, perlopiù racconti fantastici e intrisi di magia. Tramonto rosso è il suo primo passo nel genere thriller.
