Michael Schulte-Markwort, Kathrin Marutt, Peter Riedesser

Cross-Walks Icd-10 - Dsm Iv-Tr: A Synopsis of Classifications of Mental Disorders Michael Schulte-Markwort, Kathrin Marutt, Peter Riedesser

The clearly laid-out tables in this book allow quick comparisons to be made between the two major classifications of mental disorders, DSM-IV (including the latest TR version) and ICD-10. The cross-walks (in both directions) detail all the significant differences between the two systems, thus helping both clinicians and researchers avoid having to resort to complicated and time-consuming comparisons between the two manuals.
