## Fantasy Sports

In Sam Bosma's debut graphic novel, a young explorer and her musclebound friend go treasure hunting in a mummy's tomb—but if they want to get rich, they're going to have to best the mummy in a game of hoops! Can they trust their bandaged adversary to play by the rules? Or will they be stuck in the tomb . . . forever?

A fast-paced sports adventure graphic novel in the vein of 1960's manga, Mike Mignola, and *Raiders of the Lost Ark*, *Fantasy Ball* is poised to be Nobrow's first breakout adventure comic for the indie and YA scene.

**Sam Bosma** was born in Chagrin Falls, Ohio, and grew up in suburban Pennsylvania. After graduating from the Maryland Institute College of Art, he taught in the Illustration department from 2011 to 2013 before moving to Brooklyn, New York. His work has been recognized by Spectrum, American Illustration, and The Society of Illustrators. He won a Silver Medal from the Society of Illustrators in the Institutional category, as well as a Gold Award from Spectrum in 2013. He currently does background drawings for Steven Universe on Cartoon Network when not making comics and graphic novels of his own.

#### **Kenneth Cunningham:**

This Fantasy Sports is great e-book for you because the content which can be full of information for you who also always deal with world and have to make decision every minute. This kind of book reveal it facts accurately using great organize word or we can point out no rambling sentences included. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with lovely delivering sentences. Having Fantasy Sports in your hand like obtaining the world in your arm, info in it is not ridiculous just one. We can say that no e-book that offer you world within ten or fifteen moment right but this book already do that. So , this is good reading book. Hey there Mr. and Mrs. busy do you still doubt in which?
