How to Find True Love Anthony Ekanem

True love is not easily found and felt. It comes in various types. Like others, you can say that you are loved if your family shows their affection to you. You may also feel the same way if you are attracted to the opposite sex. Love is not only for your family, partner or any special person. You can also show love for God, country, surroundings and a lot more.

Love is a short but powerful word. It protects, nurtures, endures and brings people together. It also sets people free and finds life, honour and prosperity. Love can be just like a sense of what heaven will be like. However, love is not just what makes the world go round. It is also what makes the ride so worthwhile. So, whenever you utter the words "I Love You", always ensure that you really mean it. It means that once you love someone, you have to give everything for him or her.
