La noche de los lápices (Spanish Edition) María Seoane

«La noche de los lápices» es mucho más que una investigación. María Seoane y Héctor Ruiz Núñez bucearon en los recuerdos de familiares y amigos, en los cuadernos y papeles personales de cada una de las víctimas para desentrañar sus sueños y expectativas trucas, y los superpusieron al retrato de una Argentina paralizada por el terror y el autoritarismo.

Tanto que, desde su aparición en 1986, el libro se convirtió en un clásico instantáneo -traducido al alemán, italiano, portugués, llevado al cine por Héctor Olivera-, no solo por exponer aspectos fundamentales de la historia política de nuestros adolescentes, sino por su contribución a la toma de conciencia, en adultos y jóvenes por igual, de la defensa de libertad y la condena a toda forma de autoritarismo.
