Ms. Shelby is getting married! As the girls in Nikki and Deja's class compete over who can plan the best imaginary wedding for their teacher, Nikki excitedly throws herself into preparations for the real thing. But Deja is not so enthusiastic. Her Auntie Dee has been temporarily laid off from her job, and Deja is worried. What will happen now that she can no longer afford a new dress and special hairdo? Will Nikki leave her best friend behind while she shops and primps? Will Deja be able to get over her jealousy and enjoy the celebration anyway?

This is a charming entry in a chapter book series praised for its accessibility, authenticity, and humor.
