## **The Basic Writings of John Stuart Mill: On Liberty, The Subjection of Women and Utilitarianism: And Other Writings (Modern Library Classics) John Stuart Mill**

The writings of John Stuart Mill have become the cornerstone of political liberalism. Collected for the first time in this volume are Mill's three seminal and most widely read works: *On Liberty*, *The Subjection of Women*, and *Utilitarianism*. A brilliant defense of individual rights versus the power of the state, *On Liberty* is essential reading for anyone interested in political thought and theory. As Bertrand Russell reflected, "On Liberty remains a classic . . . the present world would be better than it is, if [Mill's] principles were more respected."

This Modern Library Paperback Classics edition includes newly commissioned endnotes and commentary by Dale E. Miller, and an index.

*From the Trade Paperback edition.*
