**Third Thunder-Book 1: Orah the Deathless Dancer** Maharishi Sadasiva Isham

The third book in the Thunder series continues the visionary themes introduced in *Second Thunder*. Personifying our human experience, Orah, a Lord of Etan, comes to realize in his undertaking to save his planet, that fear, loss, suffering, and death are only illusions; that the Truth of the omnipotent well of love and strength within our own hearts is the ultimate Reality and the key to human evolution. The story is riveting, filled with the intense conflicts of the ongoing battle between the light of Pure Consciousness and the darkness of ignorance. Valin, the Asur emperor, and his armies represent the ego, which opposes the upward movement of creation.
