Emergency Department Handbook: Children and Adolescents with Mental Health Problems Tony Kaplan

This practical handbook covers everything a practitioner needs to know about dealing with children and adolescents who present in an emergency department with mental health problems. It provides an easily accessible framework of knowledge on child and adolescent mental health, with comprehensive, easy-to-follow guidance. The book includes contributions from professionals across a range of disciplines: paediatrics, child and adolescent psychiatry, liaison psychiatry, emergency medicine, and social care. The authors clarify the roles and responsibilities of every professional involved in the care of young patients and their families in a very vulnerable and potentially frightening situation.
