**Rifiuti dal buco nero dei Comuni alle Holding in Borsa (Italian Edition)** Roberto De Giorgi

L'autore fa una ricerca su quel mondo frastagliato, nelle varie regioni, delle aziende pubbliche e private che si occupano di raccolta, trasporto e smaltimento rifiuti. Si parla di quel servizio che entra direttamente nelle tasche dei cittadini italiani con la Tari. Luci e ombre, dissesti e fallimenti, holding quotate in borsa. Come si muove il Bel Paese? Il punto, dal quale si dirama ogni ragionamento, è il servizio al cittadino, la responsabilità condivisa, che vuol dire, in estrema sintesi, che il sistema deve garantire che davvero tutti possano comportarsi in modo virtualmente corretto, dall'utente finale fino al responsabile capo della holding Spa ambientale. Un viaggio in tutte le regioni italiane dal Nord al Sud, con dati significativi che mostrano le differenze tra arretratezza e gestione oculata. Uno stile di inchiesta giornalistica, non un saggio accademico. Sono una serie di articoli usciti sulla testata agora magazine presente in un archivio online non utilizzabile in quanto aggredito dai hacker filo Isis. Un lavoro che come scrive nel finale l'autore aveva: " un obiettivo di stimolare la riflessione su un tema delicato, partendo dalle situazioni di crisi, dei libri portati in tribunale per arrivare alle buone gestioni. Non abbiamo detto il vangelo, i commenti sono fatti anche per smentire. Ma almeno facciamo salva la buona fede, noi ne abbiamo tanta".
