Teens in Canada (Global Connections) Kitty Shea

Living in the second largest country in the world, Canadian teens are spread across 10 provinces and three territories. They come of age in a diverse and multicultural nation, but they share many common experiences beyond cold winters and a love of hockey. They work part-time jobs, go shopping with friends, and celebrate Canada Day and other special occasions. Teens in Canada is part of Global Connections, a series that uncovers the challenges, pastimes, and customs of teens around the world.
