## **The Story Goes On** Aileen Fisher

In this exquisitely illustrated picture book, one of America's foremost poets for young people describes the ongoing cycle of life. A seed sprouts and is quickly devoured by a bug. Then a bright green frog appears and makes a meal of the bug. And the story goes on...from bug to snake to hawk to hunter...until a seed begins to sprout. This wonderful poem deftly deals with a sensitive subject and is inventively illustrated by a prodigiously talented young artist.
