Lewis Carroll

Alice In Wonderland and Through The Looking Glass Lewis Carroll

This special edition brings together both of Lewis Carroll's marvelous tales set in the whimsical world beyond the looking glass and down the rabbit hole. Carroll's first novel, *Alice's Adventures in Wonderland*, finds Alice stuck in Wonderland, surrounded by curious creatures and with no idea of how to return home. With questionable aid from the Cheshire Cat, the Mad Hatter and the Queen of Hearts, Alice eventually finds her way back home. But the enigmatic Alice can't stay away for long, and she finds herself back in Wonderland in the sequel, *Through the Looking-Glass*.

Most adaptations of Lewis Carroll's beloved books have combined the stories featured in *Alice's Adventures in Wonderland* and *Through the Looking-Glass*, including the 1951 animated Disney film *Alice in Wonderland*. More recently, director Tim Burton's *Alice in Wonderland* (2010), starring Mia Wasikowska and Johnny Depp, used Wonderland lore to create an entirely new storyline about Alice and many of the other characters made famous by Carroll's novels.

HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.
