Art of Islam (Temporis)

Gaston Migeon, Henri Saladin

Art of Islam (Temporis) Gaston Migeon, Henri Saladin

Islamic art is not the art of a nation or of a people, but that of a religion: Islam. Spreading from the Arabian Peninsula, the proselyte believers conquered, in a few centuries, a territory spreading from the Atlantic to the Indian Ocean. Multicultural and multi-ethnic, this polymorphic and highly spiritual art, in which all representation of Man and God were prohibited, developed canons and various motives of great decorative value. Thorough and inventive, these artists expressed their beliefs by creating monumental masterpieces such as the Al-Aqsa mosque in Jerusalem, the Taj Mahal in Agra and the Alhambra in Granada, architectural works in which one recognises the stylisation of motives of the Muslim ceramics. Lively and coloured, Islamic art mirrors the richness of these people whose common denominator was the belief in one singular truth: the absolute necessity of creating works whose beauty equaled their respect for God.
