In the Sea David Elliott

A New York Times best-selling author and a Caldecott Honor-winning illustrator explore life in the ocean with clever poems and bold, expressive woodcuts.

The briny deep is home to an enormous variety of fascinating creatures, from the dainty sea horse to the fearsome shark, from the spiny sea urchin to the majestic blue whale. In striking woodcut illustrations, diverse creatures glide through blue and green waters, while succinct, witty poetry examines their behavior and interactions. In this companion volume to *On the Farm* and *In the Wild*, David Elliott and Holly Meade explore the depths of the ocean in a collection of poems sure to thrill budding oceanographers and landlubbers alike.
