Ruth's Redemption Marlene Banks

Set in the 1800s, Ruth's Redemption, is an unusual depiction of the lives of slaves and free blacks in pre-Civil War America. Bo, was educated while a slave. He was given his freedom and now owns a farm buying slaves for the sole purpose of giving them their freedom. Bo is also a man of God and widower whose life is destined to change when he meets the proud and hard-hearted slave girl, Ruth.

Ruth has known nothing but servitude and brutality since being separated from her mother at age thirteen. Purchased and sold primarily for breeding, her heart is filled with resentment and bitterness. Ruth wants no part of Bo's Godly devotion. Yet Bo is unlike any man she's known and her experiences with him will leave her forever changed.

A gripping slave era novel, Ruth's Redemption is a story of love, forgiveness, and redemption. Set against the backdrop of the Nat Turner Rebellion in Tidewater, Virginia, this novel shines the light of God's unconditional love in the darkness of a culture's cruel socially accepted inhumanity.
