"We are all travelers in the wilderness of the world, and the best we find in our travels is an honest friend." Robert Louis Stevenson Stepping Stone Journey is symbolic of the journey through life's trials one step at a time and the unconditional involvement, loyalty, and protection of beloved animal companions. Twenty-two drawings of animal companions. This book is dedicated to honest friends, in particular my classmates at Oregon State University School of Veterinary Medicine, who have accompanied me and guided me in this wonderful journey of life. You have helped to make me a better person.
