“Came to believe that a Power greater than ourselves could restore us to sanity.” Recovering addicts work the 12 steps because their lives depend on it. Accessing a Higher Power and acting upon the Higher Power’s will is a means for lasting recovery and survival. *The 12-Step Recovery Toolkit* offers a simple yet effective way to tap into that Higher Power and receive guidance on how to incorporate the twelve steps, tools, and slogans into daily life. Whether you have a problem or just need a little extra guidance, the cards in *The 12-Step Recovery Toolkit* allows the recovering addict to ask questions of their Higher Power and pull one or more cards for inspiration and advice. This is a deck that every recovering addict should have in his or her arsenal of 12-step tools. A recovering addict herself, Stacey J. felt compelled to create the toolkit to help others work the steps and make their way through the program. *The 12-Step Recovery Kit* is a tool for recovering addicts created by a recovering addict.
