Ephesians and Colossians (Paideia: Commentaries on the New Testament) Charles H. Talbert

Ephesians and Colossians is the first of eighteen volumes in the Paideia commentary series. In this inaugural volume, leading New Testament scholar Charles Talbert distills interpretive insights for students in theology, biblical studies, and religion.

Commentaries in the Paideia series focus on the final form of each New Testament book, attending to historical setting, canonical context, and contemporary hermeneutical concerns. Authored by a diverse team of illustrious scholars, Paideia commentaries add fresh insight to consensus scholarship, focusing especially on how these theological texts use narrative and rhetorical strategies from the ancient educational world to form and shape the reader.

"Charles Talbert initiates Baker Academic's new Paideia series, which promises a fresh approach beneficial especially to beginning students but of value to the more advanced as well, with an accessible, user-friendly commentary on Ephesians and Colossians. Talbert's contribution shines forth as a concise yet comprehensive gem illustrating his mastery of the present state of research. His vast erudition enlightens readers with new insights into not only the theological content but also the cultural and literary contexts to facilitate an appreciation of the contemporary relevance of two closely related but sometimes neglected Pauline letters."
--**John Paul Heil**, professor of New Testament, Catholic University of America

"The Pauline letters to the Ephesians and the Colossians are extraordinarily rich texts. Drawing on his many years of distinguished teaching and scholarship, Charles Talbert is a most trustworthy guide (*paidagōgos*), for students and all who love Scripture, to the literary, historical, and theological treasures in these marvelous early Christian writings."
--**Daniel J. Harrington, SJ**, professor of New Testament, Weston Jesuit School of Theology

"Here is a commentary that has about everything you really want and almost nothing you don't want! Talbert is clear, concise, informative, and interesting, providing solid exegesis and exhibiting judicious and balanced wisdom throughout. This is a most auspicious beginning to a new commentary series. I recommend it very enthusiastically."
--**Donald A. Hagner**, George Eldon Ladd Professor of New Testament, Fuller Theological Seminary
