## **Germany Ascendant: The Eastern Front 1915 (General Military)** Prit Buttar

The massive offensives on the Eastern Front during 1915 are often overshadowed by the events in Western Europe, but the scale and ferocity of the clashes between Imperial Germany, Hapsburg Austria-Hungary and Tsarist Russia were greater than anything seen on the Western Front and ultimately as important to the final outcome of the war. Now, with the work of internationally renowned Eastern Front expert Prit Buttar, this story of the unknown side of World War I is finally being told. In *Germany Ascendant*, Buttar examines the critical events of 1915, as the German Gorlice–Tarnow Offensive triggered the collapse of Russian forces, coming tantalizingly close to knocking Russia out of the war altogether. Throughout the year, German dominance on the Eastern Front grew – but stubborn Russian resistance forced the continuation of a two-front war that would drain Germany's reserves of men and equipment. Packed with first-hand accounts and incredible new information, this is a staggeringly ambitious history of some of the most important moments of World War I.
