How to Open a Financially Successful Pizza & Sub Restaurant Shri L Henkel

The explosive growth of the pizza and sub shops across the country has been phenomenal. Take a look at these stats: Americans eat approximately 100 acres of pizza each day, or about 350 slices per second. Pizza is a \$32+ billion per year industry. Pizza restaurant growth continues to outpace overall restaurant growth. Pizzerias represent 17 percent of all restaurants. Pizza accounts for more than 10 percent of all food service sales. Here is the manual you need to cash in on this highly profitable segment of the food service industry.

This superb manual should be studied by anyone investigating the opportunities of opening a pizza or sub restaurant. It will arm you with everything you need including sample business forms, leases, and contracts; worksheets and checklists for planning, opening, and running day-to-day operations; sample menus; inventory lists; plans and layouts; and dozens of other valuable, time-saving tools of the trade that no restaurant entrepreneur should be without.

While providing detailed instruction and examples, the author leads you through finding a location that will bring success, learn how to draw up a winning business plan (The companion CD-ROM has the actual pizza restaurant business plan that you can use in MS Word), basic cost-control systems, profitable menu planning, successful kitchen management, equipment layout and planning, food safety and HACCP, successful beverage management, legal concerns, sales and marketing techniques, pricing formulas, learn how to set up computer systems to save time and money, learn how to hire and keep a qualified professional staff, new IRS tip-reporting requirements, managing and training employees, generate high-profile public relations and publicity, learn low-cost internal marketing ideas, low and no-cost ways to satisfy customers and build sales, and learn how to keep bringing customers back, accounting & bookkeeping procedures, auditing, successful budgeting and profit planning development, as well as thousands of great tips and useful guidelines.

The manual delivers literally hundreds of innovative ways demonstrated to streamline your business. In addition operators will appreciate this valuable resource and reference in their daily activities and as a source of ready-to-use forms, web sites, operating and cost cutting ideas, and mathematical formulas that can be easily applied to their operations. The Companion CD Rom contains all the forms in the book as well as a sample business plan you can adapt for your business.

The companion CD-ROM is not available for download with this electronic version of the book but it may be obtained separately by contacting Atlantic Publishing Group at sales@atlantic-pub.com.
