Work is something no one seems to look forward to. Millions of people around the world dread going to work daily, but it doesn't have to be this way. Google has been doing business in a radically different way since 1998, and what works for them can work for you too.

With thousands of employees worldwide, tech giant Google is a company known for having one of the most innovative and productive work atmospheres in the world. Many have tried to replicate its success and failed, but now Google's unique methods and strategies have been revealed! In *Work Rules*, you'll get a guided tour of what sets Google apart from other companies and why its employees love working there, all from the man who knows it better than anyone: Senior Vice President of People Operations, Laszlo Bock!

You will learn:

- How to manage your company's very best people-and your very worst
- Why managers have too much power
- How to hire the best candidates for a job, and how to keep them interested
