iContractor 1 explains the law of attraction and breaks it down to its core essence for those struggling with reaching their goals and accomplishing their dreams. Then, it lays out a simple, 3-step process to enable the reader to put it to work in their own lives. “The Secret” sold approximately 19 million copies since 2006 indicating a huge, global market for this information. Where “The Secret” and other similar genres fall short is the absence of a simple method for putting the information to work.
