Inheriting Syria: Bashar's Trial by Fire Flynt Leverett

Syria has long presented a difficult problem for American policymakers. Actively supportive of groups such as Hezbollah, it has occupied Lebanon for more than 20 years. Damascus remains intransigent on Israel's complete withdrawal from the disputed Golan Heights as the sine qua non for peace with that state. It is often mentioned in the same breath as members of the infamous "axis of evil." Syria occupies an important strategic position in the Middle East—one made even more significant as America considers long-term involvement in the reconstruction of Iraq. As the policy challenges posed by Syria's problematic behavior have grown more pressing in the recent security environment, the United States has had difficulty formulating a coherent and effective policy toward Damascus. The death of long-time dictator Hafiz al Assad has forced renewed debate on its place in the region. The transition from Assad to his son Bashar has thrown Western consensus on how to deal with the Syrian leadership further into doubt. In *heriting Syria* fills this void with a detailed analytic portrait of the Syrian regime under Bashar's leadership. It draws implications for U.S. policy, offering a bold new strategy for achieving American objectives, largely via a strategy of "coordinated engagement" employing both sticks and carrots. This strategy would be independent of the Arab-Israeli peace process, thus a historical departure for the United States. The author's long service in the foreign policy establishment has uniquely positioned him to provide valuable insights into this mysterious yet important country. This book will be of high interest to those concerned about the Middle East, the war on terror, and the future of American foreign policy. Written for a general audience as well as the policymaking and academic communities,her *iting Syria is is* an important resource for all who seek deeper understanding of this enigmatic nation and its leadership.

From reader reviews:

James Robicheaux:

In this 21st century, people become competitive in every single way. By being competitive currently, people have to do something to make these people survive, being in the middle of the particular crowded place and notice through surrounding. One thing that occasionally many people have underestimated this for a while is reading. That's why, by reading a reserve your ability to survive increase then having chance to remain than other is high. For you who want to start reading any book, we give you this Inheriting Syria: Bashar's Trial by Fire book as beginning and daily reading publication. Why, because this book is greater than just a book.

Margaret Honig:

Information is provisions for people to get better life, information currently can get by anyone with everywhere. The information can be a knowledge or any news even restricted. What people must be consider any time those information which is within the former life are hard to be find than now could be taking seriously which one works to believe or which one the resource are convinced. If you receive the unstable resource then you buy it as your main information it will have huge disadvantage for you. All of those possibilities will not happen with you if you take Inheriting Syria: Bashar's Trial by Fire as the daily resource information.

David Carter:

Spent a free time to be fun activity to accomplish! A lot of people spent their sparetime with their family, or all their friends. Usually they accomplishing activity like watching television, going to beach, or picnic inside the park. They actually doing same every week. Do you feel it? Do you need to something different to fill your free time/ holiday? Can be reading a book could be option to fill your free time/ holiday. The first thing you ask may be what kinds of e-book that you should read. If you want to attempt look for book, may be the reserve untitled Inheriting Syria: Bashar's Trial by Fire can be excellent book to read. May be it is usually best activity to you.

Ann Strickland:

As a pupil exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's internal or real their passion. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring in addition to can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Inheriting Syria: Bashar's Trial by Fire can make you really feel more interested to read.
