Solution Focused Anxiety Management: A Treatment and Training Manual (Practical Resources for the Mental Health Professional) Ellen K. Quick

Solution Focused Anxiety Management provides the clinician with evidence-based techniques to help clients manage anxiety. Cognitive behavioral and strategic tools, acceptance-based ideas, and mindfulness are introduced from a solution-focused perspective and tailored to client strengths and preferences.

The book presents the conceptual foundation, methods, and attitudes of a solution-focused approach. Case examples illustrate how to transform anxiety into the "Four Cs" (courage, coping, appropriate caution and choice). Readers learn how to utilize solution focused anxiety management in single-session, brief, and intermittent therapy as well as in a class setting.

The book additionally includes all materials needed for teaching solution focused anxiety management in a four-session psychoeducational class: complete instructor notes, learner readings, and companion online materials.

Special Features:

- Focuses on what works in anxiety management
 - Presents evidenced based techniques from a solution-focused perspective
