Wendell Berry

The Collected Poems of Wendell Berry, 1957-1982 Wendell Berry

A longtime spokesman for conservation, common sense, and sustainable agriculture, Wendell Berry writes eloquently in several styles and methods. Among other literary forms, he is a poet of great clarity and sureness. His love of language and his care for its music are matched only by his fidelity to the subjects he has written of during his first twenty-five years of work: land and nature, the family and community, tradition as the groundwork for life and culture. His graceful elegies sit easily alongside lyrics of humor and biting satire. Husbandman and husband, philosopher and Mad Farmer, he writes of values that endure, of earthy truths and universal imagery. His vision is one of hope and memory, of determination and faithfulness. For this far-reaching yet portable volume, Berry has chosen nearly two hundred poems from his previous eight collections.

Yolanda Harris:

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Collected Poems of Wendell Berry, 1957-1982 can make you experience more interested to read.
