The Excalibur Codex James Douglas

For countless generations the sword had been kept hidden, ready for a time of need. But not hidden well enough, because on one warm July night in 1937 it vanished - its disappearance swallowed up in the storm clouds of war that would soon engulf the world.

1941 - twelve SS generals gather at a castle in East Prussia to re-enact an ancient rite and call on the spirits of Europe's mightiest warriors to aid them in the coming battle in the East. At the heart of the ritual is a pentagram formed by five swords. One of them is Excalibur, the mythical weapon pulled from a stone by King Arthur.

2010 - Art recovery expert Jamie Saintclair laughs when he reads the codex to a German war veteran's will, the strange ritual it describes and the mention of a sword named Excalibur. But collector Adam Steele is convinced - and if Jamie can find the legendary sword, he will pay a small fortune for it. The hunt for Excalibur takes Jamie from Germany to eastern Poland and a deadly encounter in Hitler's Wolf's Lair. The castle has been destroyed down to the last stone and the only clue to the sword's fate is the strange tale of a wartime partisan unit murdered by its own commander.

With a team of international assassins on his trail and the distinction between friend and enemy a blur, Jamie finally makes it back to a Britain under siege, where the last piece of the puzzle falls into place and he discovers that the line between obsession and madness is gossamer thin...

From reader reviews:

Marie Williams:

Inside other case, little folks like to read book The Excalibur Codex. You can choose the best book if you appreciate reading a book. Provided that we know about how is important the book The Excalibur Codex. You can add knowledge and of course you can around the world by a book. Absolutely right, because from book you can understand everything! From your country till foreign or abroad you will end up known. About simple thing until wonderful thing you are able to know that. In this era, we could open a book or even searching by internet system. It is called e-book. You can use it when you feel weary to go to the library. Let's read.

James Donofrio:

Information is provisions for folks to get better life, information presently can get by anyone at everywhere. The information can be a knowledge or any news even a concern. What people must be consider whenever those information which is inside the former life are hard to be find than now is taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you have the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen with you if you take The Excalibur Codex as your daily resource information.

Scott Marin:

Do you have something that you like such as book? The book lovers usually prefer to pick book like comic, small story and the biggest an example may be novel. Now, why not striving The Excalibur Codex that give your pleasure preference will be satisfied by reading this book. Reading routine all over the world can be said as the way for people to know world far better then how they react to the world. It can't be said constantly that reading habit only for the geeky individual but for all of you who wants to be success person. So , for every you who want to start examining as your good habit, you can pick The Excalibur Codex become your own starter.

Shantel McCary:

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this The Excalibur Codex can make you really feel more interested to read.
