**Things I Learned From Knitting: ...whether I wanted to or not** Stephanie Pearl-McPhee

With a knitter's perspective, Stephanie Pearl-McPhee describes the astonishing wisdom and hard-to-swallow truths that are embedded in everyday clichés. You'll laugh with Pearl-McPhee as she realizes that "babies grow" after spending nights knitting a now-too-small sweater. "Beginning is easy, continuing is hard" takes on a new meaning to the knitter who has five projects going, but wants to start another. The next time you drop a stitch, take a cue from this insightful collection and remember, "if at first you don't succeed, try, try again."
