A Wanderer in Venice

E. V. Lucas

A Wanderer in Venice E. V. Lucas

First published in 1914 and then revised in the 1920s, offering a travellers guide to Venice.

To go to Venice without first knowing her story is a mistake, and doubly foolish because the city has been peculiarly fortunate in her chroniclers and eulogists. Mr. H. F. Brown stands first among the living, as Ruskin among the dead; but Ruskin is for the student patient under chastisement, whereas Mr. Brown's serenely human pages are for all. Of Mr. Howells' Venetian Life I have spoken more than once in this book; its truth and vivacity are a proof of how little the central Venice has altered, no matter what changes there may have been in government or how often campanili fall.
