## **Diary of a Mad Diva** Joan Rivers

Following up the phenomenal success of her headline-making *New York Times* bestseller *I Hate Everyone...Starting With Me*, the unstoppable Joan Rivers is at it again. When her daughter Melissa gives her a diary for Christmas, at first Joan is horrified—who the hell does Melissa think she is? That fat pig, Bridget Jones? But as Joan, being both beautiful and introspective, begins to record her day-to-day musings, she realizes she has a lot to say.

*About everything. And everyone, God help them.*

The result? A no-holds-barred, delightfully vicious and always hilarious look at the everyday life of the ultimate diva. Follow Joan on a family vacation in Mexico and on trips between New York and Los Angeles where she mingles with the stars, never missing a beat as she delivers blistering critiques on current events, and excoriating insights about life, pop culture, and celebrities (from A to D list), all in her relentlessly funny signature style.

This is the *Diary of a Mad Diva*. For the first time in a century, a diary by someone that's actually worth reading.
