Precious Lord! How to play Black Gospel Book 1 Robert Jefferson

Precious Lord! How to Play Gospel Music book 1 is the leading and most comprehensive book on the subject. It offers step by step instructions; from traditional to contemporary styles, and is a great teaching aid for the private instructor and the college professor. "TRULY A TREASURE! To all who have wished for and searched for a good book on how to play black gospel. This is it!! This book is better than good. It is excellent. The author clearly knows his subject well and is able to present it clearly...The book is practical and detailed. Many different aspects of black gospel are illustrated and are demonstrated on the accompanying CDs. As far as I am concerned this material is classic. In view of the quality of the information as well as the fact that this information is normally so difficult to obtain, I feel blessed to have bought this book..."Linden, NJ United States "Highly Substantive!!!A long overdue book that delves down into the theory behind playing black gospel. It is well written, and substantive. Robert L. Jefferson has elevated the instruction of gospel to a totally new level. With players of the authentic music willing or able to teach being so rare, it is a true treat to study with an individual who is so clearly able to articulate it. After a brief history of the music, Mr. Jefferson tackles a wide array of topics from basic chord theory and gospel cadence, to everything from passing chords, secondary dominants, contemporary, licks and fills, soul gospel and more. Examples are enlightening and abundant...Purchasing this book will definitely take you to a whole new level regardless of where you are now! When it comes to music instruction books, this book ranks TOP on my list." "Jazz Organist" (Tokyo, Japan)
