In the spring of 1962, Captain Nathaniel Sylvester and his young bride, Grissel Brinley, stepped from their boat onto the narrow shore along Gardiner's Creek. Nearby, in a clearing, stood a sturdy house, newly built of white oak timber from the surrounding forest. Shiploads of tiles and chimney bricks from Holland and household furnishings from England and Barbados had arrived during the preceding months. The Sylvesters would make Shelter Island their home. *Shelter Island: A Nostalgic Journey* takes us to early homes, churches, and stores, and introduces us to the people who shaped this community. With over two hundred images carefully selected from the archive of the Shelter Island Historical Society, this unprecedented volume will be treasured and enjoyed by resident and visitor alike.
