## **Cat Versus Human** Yasmine Surovec

Yasmine Surovec began sketching her clever and sarcastic *Cat Versus Human* cartoons as a way to relax and unwind. Soon, her popular blog at [catversushuman.blogspot.com](http://catversushuman.blogspot.com) began receiving as many as 12,000 hits per day, with a number of posts going viral and appearing on popular Web sites such as The Huffington Post and I Can Has Cheezburger. Now, a selection of 100 *Cat Versus Human* strips--many never previously published--can be found inside this inaugural collection of *Cat Versus Human*.

Proud owners of *Felis domesticus* will instantly recognize Surovec's keen insights into cat behavior and all of the characteristic intricacies of the cat-human relationship, such as the allure of an empty cardboard box trumping an expensive battery-operated toy or how a cat's favorite nap spot might as easily be inside a litter box, on top of clean laundry, or directly on top of a human face. *Cat Versus Human* also encourages an affectionate look at your once-was-in-mint-condition midcentury modern sofa that is now being unstuffed one cat claw at a time.
