Chinese Medical Qigong

Chinese Medical Qigong

Based on the latest edition of the approved textbook on Medical Qigong used in Chinese universities, this authoritative paperback edition has been completely revised and edited to meet the needs of western practitioners. The editors emphasize the practice of Qigong, and this section of the book has been revised and expanded; a wide range of Qigong forms are presented, taking full account of the history, correct practice, and development of Qigong. The section on the clinical applications of Qigong in the treatment of a wide range of conditions, with the recommended Qigong forms for treatment, and relevant references to the ancient texts has been substantially revised, and focuses on conditions more common in the West. The book also presents the newest research on Medical Qigong, including groundbreaking new discoveries about the physiological and psychological mechanisms. Omitted from this paperback edition are the extensive excerpts from the ancient texts, and the detailed history, more appropriate for academic study.

This is an unparalleled resource for practitioners of Qigong and Chinese medicine, as well as medical students and other healthcare professionals seeking a better understanding of the theory, practice and beneficial health applications of Medical Qigong.
