Conan. Il ragazzo del futuro (Pop corn - goWare) (Italian Edition) Jacopo Caneva

Dopo aver dedicato un testo al cinema di Hayao Miyazaki e dello Studio Ghibli, Jacopo Caneva con il suo ultimo saggio concentra l'attenzione su *Conan. Il ragazzo del futuro*, la serie televisiva che ha dato il via alla parabola artistica del grande regista giapponese, che ne contiene, già del tutto sviluppati, molti dei temi più importanti e che è e rimane uno dei massimi punti di riferimento per gli appassionati di anime di tutto il mondo.

Attraverso la descrizione e l'approfondita analisi di luoghi, personaggi e musiche (ogni brano della colonna sonora viene letto in rapporto ai significati generali), quest'opera cinematografica – perché si tratta di vero e proprio cinema, seppur in formato televisivo – viene per la prima volta in Italia resa protagonista di un libro completamente dedicatole.
