Rescued by the U.S. Air Force, Jim, Staci, and Lou are thrust into another agonizing situation. No one finds it easy to be under adult supervision after being on their own for so long, but without the support of the family, can the teens come to terms with the tragedies that have befallen their families and themselves? How will they cope with what is to come? What will happen to the new addition to their group? Uncertainty is all around, but surely God didn't bring them this far, together, just to separate them all now?
