**Maestro!: A volta por cima de João Carlos Martins e outras histórias... (Portuguese Edition)** Ricardo Carvalho

Maestro! A biografia de João Carlos Martins desvenda o homem por trás do mito, revelando a rotina de luta e superação de um dos maiores artistas brasileiros e um dos melhores pianistas do mundo. Possuidor de um talento único, João Carlos construiu uma carreira de sucesso, mas uma sequência de tragédias pessoais afetou seriamente o movimento de suas mãos e o impediu de se dedicar plenamente à sua paixão pelo piano. Por seis vezes, ele se viu obrigado a abandonar a carreira e chegou a fazer mais de 20 cirurgias para recuperar o pleno movimento das mãos. Até que, aos 64 anos, para não se afastar da música, ele virou maestro. Desde então, criou a Fundação Bachiana para levar música clássica para as periferias das cidades e percorre o Brasil e o mundo com a sua orquestra, provando que persistência e força de vontade são fundamentais para a superação de problemas, mas que as vitórias só são alcançadas quando não se abandona a esperança!
