**Non dimenticare le mie parole (Italian Edition)** Paolo Guastone

La Valle di Susa è in subbuglio. Dopo anni di cantieri e manifestazioni la prima tratta della nuova linea ferroviaria TAV viene inaugurata.

Due giornalisti sono inviati sul posto per scrivere il resoconto dell'evento, condito della solita prosopopea delle Autorità e dalle immancabili contestazioni dei NO TAV.

Ben presto, però, le cose cominciano a non andare per il verso giusto e i due protagonisti precipitano in un incubo dove sassi e molotov saranno l'ultimo dei loro problemi.

Per trovare la via della salvezza dovranno, prima di tutto, guardare dentro sé stessi e mettere da parte pregiudizi e rivalità e poi collocare al loro posto tutte le tessere di un assurdo rompicapo che nasconde una verità inaccettabile.

E ci riuscirà solo chi sarà il più realista.

O il più fortunato.
