Soul Mates: Honoring the Mysteries of Love and Relat Thomas Moore

In *Care of the Soul*, Thomas Moore explored the importance of nurturing the soul and struck a chord nationwide—the book became a long-term bestseller, topping charts across the country.

Building on that book's wisdom, *Soul Mates* explores how relationships of all kinds enhance our lives and fulfill the needs of our souls. Moore emphasizes the difficulties that inevitably accompany many relationships and focuses on the need to work through these differences in order to experience the deep reward that comes with intimacy and unconfined love.

"I devoured *Soul Mates* like some comfort food for the spirit. . . . Moore moves love off the fast track and into the realm of mystery and imagination where it belongs."—*New Woman*

"An eloquent, passionate, often mystical exploration of how we mere mortals might better understand ourselves and others in a society in which so much emphasis is placed on interpersonal dynamics and so little on introspection, care, grace, gratitude, and honor."—*Detroit News*
