"A masterpiece."—Carolyn See, *Los Angeles Times Book Review*

"*The Madwoman in the Attic, The Woman Writer and the Nineteenth-Century*, originally published in 1979, has long since become a classic, one of the most important works of literary criticism of the 20th century. "A groundbreaking study of women writers. . . . The book brought the concerns of feminism to the study of female writers and presented the case for the existence of a distinctly feminine imagination."—Martin Arnold, *The New York Times*

"The authors are brilliant academics but they wear their erudition lightly. It remains imperative reading for those who want to understand better the grandes dames of English literature, and is still one of the most powerful pieces of writing from a feminist point of view. Argumentative, polemical, witty and thought-provoking, this is a book which will make the reader return to the original texts." —*Yorkshire Post* (Leeds)

"A feminist classic and still one of the best books on the female Victorian Writers."—Judith Shulevitz, *New York Times Book Review*
