The Sicilian Mafia

Carl Russo

The Sicilian Mafia Carl Russo

The Sicilian Mafia: A True Crime Travel Guide is the first book of its kind in any language: the ultimate Cosa Nostra experience. Since 2006, author Carl Russo has photographed Mafia hotspots on the Italian island of Sicily: where the murders happened, where the godfathers lived, where their victims are buried. From the sunbaked fishing villages of the Mediterranean to the darkest alleys of Palermo, western Sicily is the exotic backdrop for more than 100 meticulously researched tales of murder and mayhem, packed with 200 photographs of the actual locations.

The book's historical sweep covers 150 years of revolutions, world wars, politics and popular culture—all inextricably bound to Cosa Nostra. They include the childhood home of gangster Lucky Luciano, the hideouts of the fearsome bosses of Corleone, the tombs of the "Robin Hood" bandit and the legendary dons, the roots of the American and Canadian mafias, the Allied landing, pistol-packing priests, political assassinations, playgrounds of the new Mafia and the anti-Mafia movement.

Each site and association is depicted in sharp prose and revealing images, bringing many stories to English for the first time. Whether you're planning a trip to Sicily or sticking to the comfort of your armchair, this provocative book will take you closer to the Sicilian Mafia than you dared to think possible.

Every stone you turn in Sicily reveals a violent history. With Russo's informative guidebook in hand, the traveler will no longer stroll innocently through its streets. Crammed with fascinating facts. — **Clare Longrigg, author of *Mafia Women* and *Boss of Bosses: How Bernardo Provenzano Saved the Mafia***

*A seminal piece of work that manages to bridge the gap between John Dickie's *Cosa Nostra* and *Lonely Planet Sicily*.* — **Crozier Green, author of *The Fratellanza Contract* and *Gladio Resurrection***

Full of curious little anecdotes and human details that really bring it to life and make it impossible to put down. — **Daniel Kenyon, author of *The Savage Heart of Palermo***

From reader reviews:

Caroline Petrie:

What do you think of book? It is just for students because they are still students or that for all people in the world, the actual best subject for that? Just you can be answered for that question above. Every person has diverse personality and hobby for every other. Don't to be obligated someone or something that they don't would like do that. You must know how great along with important the book The Sicilian Mafia. All type of book would you see on many sources. You can look for the internet methods or other social media.

James Rodriguez:

Nowadays reading books become more and more than want or need but also become a life style. This reading habit give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book which improve your knowledge and information. The details you get based on what kind of guide you read, if you want drive more knowledge just go with knowledge books but if you want really feel happy read one having theme for entertaining such as comic or novel. The The Sicilian Mafia is kind of reserve which is giving the reader capricious experience.

Dennis Lewis:

Are you kind of busy person, only have 10 or even 15 minute in your morning to upgrading your mind ability or thinking skill also analytical thinking? Then you are receiving problem with the book when compared with can satisfy your small amount of time to read it because this all time you only find book that need more time to be read. The Sicilian Mafia can be your answer as it can be read by you who have those short time problems.

Darrel Mason:

Beside this kind of The Sicilian Mafia in your phone, it can give you a way to get more close to the new knowledge or data. The information and the knowledge you will got here is fresh from oven so don't end up being worry if you feel like an previous people live in narrow town. It is good thing to have The Sicilian Mafia because this book offers for you readable information. Do you oftentimes have book but you rarely get what it's interesting features of. Oh come on, that will not end up to happen if you have this with your hand. The Enjoyable set up here cannot be questionable, similar to treasuring beautiful island. Techniques you still want to miss it? Find this book along with read it from at this point!
