## **There It Is: A Canadian in the Vietnam War** Les Brown

Written with honesty and humour, *There It Is* brings us Les Brown's compelling, grunt's-eye view of his tour in the Vietnam War.

In the raw language of soldiers, Brown describes what it was like to move through dense jungle in unbearable heat; to live in a world of perpetual danger and disease; to confront the enemy in battle; and to see his buddies die. Brown tells of his struggle to survive, a struggle which ultimately leads him to take a risky, rebellious stand.

Featuring a scene-setting introduction by Global Television News anchor Peter Kent, *There It Is* is a powerful, personal account of war, and a surprising reminder of the role played by thousands of Canadians in Vietnam.
